## **CONTINUING LETTER OF GUARANTEE**

Kwik Lok Corporation (herein “Seller”) hereby guarantees that all closures and closure labels (“Products”) and all shipments of same, hereinafter sold by Seller to Buyer do and shall at the time of delivery thereof, comply with the Federal Food, Drug and Cosmetic Act, (“FDCS”) including, without limitation, the Food Safety Modernization Act (“FSMA”); that all such Products are not articles which may not be introduced into Interstate commerce under provisions of Sections 404, 505 or 512 of said Act.

All such products comply with the Food Packaging Materials of Canada’s Food and Drug Regulations Act and adhere to CFIA regulations, as reported in Health Canada’s Lists of Acceptable Polymers for use in Food Packaging Applications.

Seller further guarantees that all such Products are not and shall not be at time of delivery thereof, adulterated or misbranded, and are not and do not contain a misbranded hazardous substance or banned hazardous substances, within the meaning of the Federal Food, Drug and Cosmetic Act and or any and all other acts and laws, whether now in force or hereinafter enacted, including the pure food and drug laws of each and every state of the United States in which such Products may be shipped.

The resin used in the manufacture of Kwik Lok closures and closure-labels complies with all of the appropriate requirements of the Food Additives Amendment of 1958 to the United States Food, Drug, and Cosmetic Act of 1938 as set forth in 21 CFR § 177.1640 (a)(2).

Accordingly, this resin meets the specification identified in 21 CFR § 177.1640 (c)(2) and may be used as component of articles intended for use in contact with food. The resin complies with applicable Food and Drug Administration as well as United States Department of Agriculture regulations for packaging meat and poultry under the Federal Inspection Program of the Food Safety and Inspection Service.

Traceability is available for all components used to produce the finished product and a minimum of two mock recalls are conducted each year.

This guarantee is continuing in nature and shall remain in full force and effect until revoked in writing by Supplier.
